

Homework Year 3 Spring 2

Fantasy

The first half of the spring term, you, the children of Icen Academy, voted **fantasy** for the theme of the school for the rest of the year. Therefore, this term's homework tasks are based on your vote.

Examples of fantasy stories:

- George's Marvellous Medicine
- Peter Pan
- Sword Quest

Choose as many of the following activities as you wish:

- **Art task** – Sketch, paint or create a model of your favourite character or characters from a fantasy story, play or film.
- **Geography task** – Think of a fantasy story, play or film that you really enjoy. Design and draw a map of the setting. Include a map key and a scale.
- **Music task** – Choose your favourite fantasy story, play or film. Create and record an opening theme song. Think about the pitch, tempo, texture and dynamics of the piece of music.
- **English task** – Write a fantasy story, play or film. Think about the story mountain: *Introduction, build-up, problem/dilemma, resolution* and an *ending*.
- **Maths task** – Write 3 problem solving and reasoning questions about fractions. Can you write the questions using a fantasy context?

Problem Solving

In total, George's medicine was 2000ml. He gave 500ml to his Gandma. What fraction of the medicine does he have left?

We look forward to sharing and displaying your homework at the end of the spring term.
