

Homework Year 4 Summer 2

Dinosaurs

Choose as many of the following activities as you wish:

- **Art task-** Create a dinosaur collage think carefully about colours and textures of your collage.
- **History task** – Draw and label a timeline to show when dinosaurs existed.
- **Geography task** – Using maps, pictures, labels and informative captions, show where different types of dinosaurs have been discovered in the UK.
- **Science task.** Make salt dough (you can find a recipe online) then use it to create dinosaur bones or fossils.
- **English task** – Write a poem based on anything you know about dinosaurs.
- **Maths task** – Create your own sorting diagram (Venn or Carroll) and sort a range of dinosaurs using what you know about them.
- **EXTENSION:** Create a dinosaur land in a shoebox.

We look forward to sharing and displaying your homework at the end of half term.
