NEWSLETTER 27

14TH MAY 2018

Dear Parents

Parents, there was no newsletter last Monday due to the Bank Holiday. Last week children were working collaboratively applying D&T skills to their own projects and planning their own child led scientific experiments. Today has been the start of the statutory assessments for year 6. The year 6 pupils came in with great attitudes this morning and performed really well. I was very proud of them! This week children will begin nutrition lessons where they will be preparing a range of healthy dishes and sampling these within lessons. These lessons will form part of the wider education about healthy lifestyles, including our new consultation about healthy lunchboxes. Please continue to offer your views on this. The warm weather has meant that children are now out on the field at break and lunch times which they are thoroughly enjoying.
