15TH OCTOBER

Dear parents

Some highlights of the first half term: we started the year with new class names, following the Central Line underground theme. We have had the press in twice, once with a 'Back to School' article and one when the Rotary Club presented all new pupils with dictionaries. In class we have had a focus on peer to peer learning which, while still being in its early stages of development, is starting to show improved levels of pupil participation and confidence. As it is the last week of half term, teachers will be gathering in homework to celebrate and display. Please send in any final pieces. I would to take the chance to thank you for your support and collaboration over the last 7 weeks. Wishing you a relaxing half term break.
