30TH APRIL 2018

Dear Parents

At our parent council meeting last week, we discussed healthy lunch boxes, homework and keeping safe. Together we put together the attached guidance for healthy lunchboxes. We thought we could trial following this guidance with children during the summer term with a view of fixing it for September 2018. Please let us know your thoughts and opinions on this. Parents felt that our half termly projects were preferable to weekly homework tasks as they allowed for flexibility. It was felt, however, that the school could do more to celebrate homework outcomes. This has been addressed and changes are currently being made with regard to rewarding homework. With regard to how our school keeps its pupils safe, most parents were unaware that we have 2 named playground mentors on the playground every day. Children know that these are their 'go to' adults if they have a problem on the playground. They trust that these adults will take seriously any concerns and help them to resolve any issues. The playground mentors are:

Miss James

Miss Lamont
