4TH DECEMBER 2017

Dear Parents

The children are continuing to work hard and show good attitudes to learning. At Iceni we really have adopted a growth mindset culture where challenge is embraced and where mistakes are viewed as learning opportunities.

It is great to hear the children talking about 'Not giving up' and 'Trying our best' and 'Being better today than we were yesterday'.

Keep up the brilliant attitudes Iceni!

The Third Hour

Our mornings are split into three parts: one Maths lesson, one English lesson and what we call 'The Third Hour'. During this time, the children are set tasks to demonstrate that they can independently apply the skills they have learnt in either English or Maths. At the same time, the class teacher will typically conference with a group of children. The LSA in the classroom may be clarifying something from one of the lessons with another group of children. During a recent visit a local secondary school teacher said she felt 'Positively invigorated by the independence of the children' during The Third Hour.
