NEWSLETTER 5

8TH OCTOBER 2018

Dear parents

I said in my newsletter last week that I would be looking at peer learning in classes. I am pleased to report that I found the following: children generating their own questions, children having 'spend tokens' to contribute in class, use of 'think sticks' and partner talk. This good practice was shared in a meeting last week, and from this, we also decided to order lanyards for the children to be 'mini teachers' in the class. The peer to peer collaboration is something we will continue to develop throughout the year. On a different note, please see to the right information about involving parents in improving the school. It would be much appreciated if you could attend on Thursday at either 3:45 or 5:00 to look at how we could work together to develop what we do. Thank you.

Miss Corby

Parents we need you!

Meetings

Thursday 11th Oct 3:45 and 5:00

We are looking to seek an improved way to involve parents in the school, its life and development. We are looking to replace the governing body with a parent-focussed group that would meet regularly and flexibly so that parents and members of the local business community could meet to discuss issues and propose solutions. We would welcome parents becoming more involved and help us to continue to improve the school. Please come along to meet myself and Executive Headteacher Simon Webb this Thursday.
