

SEN PROVISION

Iceni Academy has an inclusive approach to all children. Pupils are included in all lessons and are encouraged to be fully involved in their learning. When pupils are experiencing particular difficulties, we make special provision for them in an effort to help them move towards more independent learning. How we achieve this is outlined in our comprehensive SEN policy.

Mrs Pilgrim is our SEN coordinator and can be contacted via the main School Office. She works with our team of LSA's to oversee the provision we make for those requiring support and works closely with parents. We also liaise closely with the Infant school to ensure a smooth transition for all children on their SEN register.

Currently, we are working with a range of outside agencies – Occupational Health, Specialist Teacher Team, CAMHS and the Educational Psychologist to ensure our children have appropriate support so that they can achieve their full potential.
